TECHNICIAN IN TRAINING MEMBERSHIP FORM

ASSMT offers the Technician in Training Membership to anyone employed in the geomatics fields that may have insufficient academic or employment experience to qualify as a full Certified Member. The Membership is \$50 annually and you will receive industry publications including ALS News and The Link. You will also have access to ASSMT content and job postings through our website. As a member you will be placed on our membership roster and will receive membership information on various industry events, including our Annual General Meeting.

Simply complete this form and E-mail it to: executive.assistant@assmt.ca
